A CHECK LIST OF EXPLICATION (1961)

This list has been compiled by the following committee: *Periodicals:* Ar › L. Bader and David H. Stewart (University of Michigan), Charles R. Dahlberg (Queens College), Harvey Gross (University of Denver), and Hugh L. Smith (Long Beach State College, California); *Books:* John A. Hamilton (University of Illinois); *Chairman:* Morris Greenhunt (University of Michigan).

EXPLANATION

All items are for 1961 unless otherwise indicated. An asterisk (*) before the author's name indicates explication in the 1961 EXPLICATOR (Vol. XIX, Jan.-June—see Index for XIX; and Vol. XX, Oct.-Dec.—see the accompanying Index). The List covers explication of British and American writings; the committee has been careful to include only items of unquestioned explicatory merit and substance, but it has omitted nothing merely because it is brief or its subject may be of doubtful literary importance. When titles are not self-explanatory, the subject of explication is indicated in square brackets [ ].
